Have you had a prior or continuing representation in other matters of one or more of the clients you propose to represent, and is there a relationship between those other matter(s) and the proceeding for which you seek admission?

For decades, my firm and client -- the NAACP Legal Defense & Educational Fund, Inc. -- has represented and continues to represent Black people in voting rights litigation challenging racially discriminatory redistricting schemes across the South.

Do you have any special experience, expertise, or other factor that you believe makes it particularly desirable that you be permitted to represent the client(s) you propose to represent in this case?

I have over a decade of experience litigating complex voting rights cases on behalf of Black voters in the South.
